TERMS & CONDITIONS

General

- All quotes are subject to the validity dates stated on this document.
- For special dimensions (high cube or long-length cargo), please confirm acceptance with our booking desk before booking.
- Destination charges are not included and are for account of consignee, unless quoted DAP / DDP.
- This quote is based on the daily rate; the invoice is subject to the rate of exchange applicable at the final sailing date.
- Surcharges and fuel charges are valid at time of shipment only.

Pick-up & loading meter conditions

- Pick-up rates are based on: 1 CBM = 333 kg, 1 loading metre = 1,850 kg, with 30 minutes of free time included.
- This quotation is valid only for the cargo details specified on page 1.

Hazardous cargo

- Always confirm acceptance and compatibility with us before booking; all IMO cargo is subject to carrier acceptance.
- The following IMO classes cannot be accepted: **Class 1 Class 7 Class 5.2**

Governing terms

- LCL — our Bill of Lading terms and conditions apply, available at https://drive.google.com/file/d/10s2HpHFOXJMH5tpd111H_8Mbf2ddCojl/view?usp=sharing
- FCL, air & other services — all activities are subject to the general conditions of the Belgian Forwarding Agents Federation. By accepting this offer, the co-contractor recognizes and agrees that these general conditions are legally binding on both parties.
